WORK EXPERIENCE

Junior Front End Developer BrainStorm Inc.

03/2022 - Present

American Fork, UT

Achievements/Tasks

- Create and update reusable components that are used product-wide
- Work within a team to ship high-quality code throughout sprints
- Utilize code feedback as an opportunity to learn new technologies and grow my skill set
- Understand the code base to improve efficiency and avoid recreating existing logic
- Write tests to ensure proper functionality and code coverage
- Fix bugs and refactor code in order to prevent them from resurfacing

Frontend Software Engineer Freelance

12/2021 - 03/2022

Orem, Utah

Achievements/Tasks

- Collaborate with a designer to prioritize user experience with products
